The Finance Department was one of the best that I have used. No pressure tactics used during the signing of the paper work. Great job guys and keep up the easy purchasing process!

2021 Land Rover Defender 110 S review I bought a Defender 90 P400 when I got tired of waiting for a Bronco and couldn't be happier. As soon as I got it I went on a 3000 mile cross country trip including a stop in Texas for hunting where it traversed rocky and steep trails as well as hauling game. It did everything without a hitch and has been rock solid. So much quieter and more comfortable than the Bronco, and probably 80% as capable offroad. Will cruise all day in quiet at 90 even with off road tires. My favorite car purchase and that includes Lexus, Corvette, BMW M5/M240, GMC Denali, Ford Platinum. Waited 8 months but worth it. Color: Drivetrain Ebony: Four-wheeled, Land Rover, Subaru, Volvo Cars Review International Automous Jaguar, we recently decided to buy a new Subaru Crosstrek. We contacted different dealers from the registration and decided that we had the best purchase experience with Billy B. Sales Consultant at Orland Park International Subaru. They also offered the best price. We are not disappointed. Given the supply chain questions that continued in 2022, we knew that we had to buy a car that was "Train." Billy B. It was very much throughout the reserve process of a car, hoping it will be delivered and then buying it. We don't even visit the dealership to the day we took it! Each week, Billy sent us a message with delivery status updates. That was very much! Billy knew we were traveling plans and did everything to help us get Crosstrek quickly be removed from the transportation venic. We also had a very experience working with Larry s, finance manager. He had all our paperwork ready to go to the process to be rude and efficient. We are not in charge to buy additional service plans, but they were presented as options. This was the best car purchase experience I had already had. Thanks! shown (base finish).
